Exploring the Enhanced PYP

During this professional development time, we will be exploring the released information about the enhanced PYP including the webinars and documents developed by the IBO. Discussion and collaboration with other schools across the state will be a key component in working together for understanding and problem-solving.

Lunch will be on your own at a time designated by our presenter.

Register for FLIBS Meetings at www.flibs.org

Registration is \$125 per person. Registration includes dinner day 1, breakfast day 2, and registration for all PYP sessions.
